

ABOUT US

About Us: Founded in 1953, John A. Martin & Associates and its affiliated offices have grown to one of the largest and most highly respected structural engineering firms in the country. With capabilities in structural design for all project types and sizes, John A. Martin & Associates have completed projects worldwide for both the private and public sectors.

John A. Martin & Associates globally is comprised of over 400 unique and highly trained individuals, including 80 licensed structural engineers with representative structural/professional registration in all 50 U.S. States as well as; Puerto Rico, U.S. Virgin Islands, Guam, Spain and Great Britain. John A. Martin & Associates of Nevada's principals and associates alone has over a century of combined experience.

Our Mission: It is our mission to provide structural design services which are consistent with our clients' business goals and provide precise and accurate plans allowing longevity of return on their investment.

In 1954, John A. Martin & Associates began work on the firm's first large project – The Fremont Hotel and Casino in Las Vegas.
